Education

L J UNIVERSITY – L J POLYTECHNIC

Diploma in Information Technology, CGPA: 8.57

Passing Date

27-06-2025

Gandhinagar University – [Currently Enrolled in 2nd Year]

B.Tech in Information Technology

Passing Year

2028

Projects

DataForge

Distributed ETL pipeline engine.

[Website](#)

- DataForge is a full-stack ETL (Extract, Transform, Load) pipeline engine built entirely from scratch. Built as a learning exercise in distributed systems and Go concurrency.
- Used GOLANG 1.25 for Backend, React Vite 7 for Frontend & Firebase for Analytics.
- It has automatic column type detection with 85% majority-vote threshold, Features for Smart Cleaning like null filling, whitespace trimming, type coercion with per-cell change tracking.

ChatCraft

No-code Chatbot Builder.

[Website](#)

- ChatCraft is a cloud-based no-code chatbot platform powered by LLM + RAG that helps businesses, creators, and teams launch website chatbots quickly.
- Used GOLANG 1.25 for Backend, React Vite 7 for Frontend & NeonDB – PostgreSQL Database
- Target Users: E-commerce stores for pre-sales/support automation, Healthcare and service businesses wanting lead capture + FAQ automation

Leadership & Activities
